

# Food Chains

SmartyCards

Have fun while learning food chain vocabulary words. Review, train and quiz.

# Navigation

TURN CARD: Click on the flashcards with your mouse to turn them.

SCROLL: To scroll through the flashcards use your mouse's scroll wheel or the navigation keys at the bottom of each slide.

# Learning Modes

FLASHCARD: Use as you would paper flashcards, either individually or as a presentation. By “re-turning” the cards you miss, you can go back through the deck and review them again.

QUIZ: Use for a quiz (no need to reveal the other side of the flashcard).

NOTE TAKING: Use with scaffolded notes and have students write their own definition, example and illustration.

REVERSE: You can turn all of the card in a set to the reverse side before your presentation if you prefer to use the reverse for a prompt.
